Dear Parents and Carers,

We have a child in the school with a severe nut allergy. This child has the potential to have a severe life threatening reaction to anything that contains or has been in contact with nuts.

Because of this, please could I ask you to help us keep this child safe by ensuring you do not send any nut products into school. This includes nut butter sandwiches.

We do ask for your co-operation as the health and wellbeing of every child is paramount.

We realise that it can be easy to forget but we do appreciate your assistance with this matter. Should you require any further details, please speak to a member of the leadership team.

With best wishes,

Gemma Roxburgh  
Head of School
