Dear Parents and Carers,

We all hope you had a restful half term, the children have shared all the exciting things they were doing over the holidays!

SUPER Skylarks

We will be announcing our first 'Super Skylark' this term. Watch this space, lets see who are the first few with a purple jumpers, ask them what they had to do!

Halloween Event- Patina Fundraiser

A big thank you to the PTA for organising the event. It was incredibly well attended and we were able to raise £327 towards the Year 6 patina at the end of the school year. Make sure you read the PTA news which has been sent out!

EYFS Forest School

This term forest school has started with Laura Warren for the children in Reception. They have thoroughly enjoyed themselves and have been playing a range of new exciting games and learning about the rules of forest school! Please make sure they come into school with warm clothes and a waterproof coat!

Facebook Page

Thank you so much to those parents that have joined our school Facebook page. Please make sure you like and follow the page, this means you will get notifications when we update a post.

If you need to notify other parents you could tag their names in the comment section, or share a particular post!

Attendance

So far this year we have improved our whole school attendance. It is now 95.41% a good improvement on our average from last year (94.6%). However we are still behind our target of 97%+. Attending school is paramount for the children to enjoy all the opportunities we provide at Hamsey. Inevitably, there will be times when your children are too unwell to be in school, but we ask that our pupils are in school every day whenever possible to support us in reaching our attendance goal.

Here are the attendance results for the last week:

Owls Class – 96.83%

Badgers Class— 93.99%

Foxes Class— 95.08%

Hedgehogs Class— 96.68%

Owls class Science at Cumnor House

Owls were lucky enough to be invited for a Science afternoon at Cumnor House. They looked at their own cheek cells under microscopes and extracted DNA from a range of fruits!
