

# Model contingency plan for any potential future outbreak

drawing on current government guidance and current planning in East Sussex schools

This model document is designed to support the school achieving the objectives of contingency planning as outlined on page 66 of the DFE's operational guidance for schools. It is being kept under review as updated guidance is published by the government and Public Health England and it is complemented by the latest **East Sussex model Risk Assessment** (See ESCC Schools Message Board)

School/Academy Name: Hamsey Community Primary School (Skylark Federation) Headteacher: Stewart James (Executive Head); Rob Newlands (Head of School)

Chair of Governors: Peter Clark; Sue Seymour

Date: March 2021

#### COVID-19

If schools would like support on the action they should take to respond to a positive case, they can contact the dedicated advice service introduced by Public Health England (PHE) and delivered by the NHS Business Services Authority. This can be reached by calling the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case. Schools will be put through to a team of advisers who will inform them of what action is needed based on the latest public health advice.

#### Suspected cases:

- If anyone (staff or pupil) becomes unwell with any of the following: (i) a new continuous cough, (ii) a high temperature, or (iii) a loss or change in their sense of smell or taste (anosmia) they will be sent home.
- The school expects that they will self-isolate for at least 10 days, book a test and engage with the NHS Test and Trace process in line with current guidance.

#### Confirmed cases:

- Having been notified of a positive COVID-19 test result for a member of staff or a pupil, the school will contact Public Health England (PHE) if they would like support and take actions following the guidance of the PHE Health Protection Team.
- The school will alert the local authority to a confirmed case by e-mailing <a href="mailto:COVID19.SchoolsInformation@eastsussex.gov.uk">COVID19.SchoolsInformation@eastsussex.gov.uk</a>

# Section A – Ensuring school is prepared for a potential outbreak

## A1: Organisation and staffing

	Action	Comments for consideration	Issues due to the context of our school	Lead	Date Deadline	Guidance
1	Keeping leaders and governor s up to date with governme nt guidance and advice	<ul> <li>DfE guidance and resources and PHE advice are being updated regularly. Consider who will take responsibility for keeping leaders and governors up to date, the methods they will use and how frequently they will do this.</li> <li>Review Risk Assessments regularly and update as necessary.</li> <li>Upon the full return to school, ensure that any necessary updates are made to published information regarding remote education</li> <li>Be familiar with the East Sussex Control Plan for COVID-19</li> </ul>	EHT and AH keeping leaders and governors up to date. Responding to twice weekly documentation from LA. Risk assessments (re COVID) reviewed and updated by CY.	SJ; CY; HOS	On-going (from 8/3/21)	The DfE latest documents and guidance webpage is updated regularly: www.gov.uk/government/latest ?departments%5B%5D=department-for-education  See expectations of schools in: schools coronavirus (COVID-19) operational guidance
2	Revise and maintain up-to-date lists of vulnerabl e pupils, those with an EHCP and the children of key workers	<ul> <li>Speak with parents to ensure lists of priority groups are up to date (CiN, CP plan, CLA, otherwise vulnerable, EHCP and the children of critical workers so that they can be invited to continue attending school in the case of a closure</li> <li>Work with partners (inc parents, LA and social workers) to:         <ol> <li>identify whether individual vulnerable pupils should continue to attend the school in the event of any future partial/full closure</li> <li>ensure EHC plans and risk assessments are up to date.</li> </ol> </li> </ul>	HOS to monitor needs of priority groups; SS to support	HOS (DSLs)	As required	
		Liaise with the LA and local schools to outline draft procedures should school be unable to open for children in priority groups to agree the most appropriate solution locally	Liaison between SJ and LA.	EHT		

Staffing  Check and update staff home working considerations— ensure decision making is transparent and fair. If supply staff are in school to cover teacher absence, communicate expectations if the school was to close Put plans in place for how staff will work with the children of critical workers and vulnerable pupils in the case of a school closure Consider different staffing scenarios Update staffigovernors accordingly. Ensure that risk assessments, plans and provision for individuals (staff and/or pupils) who are classified as clinically vulnerable are in line with the latest schools coronavirus operational guidance  Regularly update the school staffing audit as situations may change Revise school induction programme to ensure NQTs / new staff are informed of expectations and processes should a local outbreak occur Have clear processes in place for in school and remote education should a member of staff have a positive result from the PCR home tests. Consider now the workload could be shared if teachers are unable to educate remotely  Staff in school to include CTs and TAs; each absence to be considered in terms of staffing scenarios  SLT  SLT  SLT  Check advice from your HR projon(g/as) required who going/as required with soulder In the event of a positive report of point in the event of a positive test result. 		If there is a school closure, secondary school pupils who				

	ı		T			
		are vulnerable or the child of critical workers should still continue their asymptomatic testing at home, 3-5 days apart.  Communicate clearly to parents that other pupils will need to do this before they return to school and will need to provide a negative test result before they are able to return to school				
5	Communication	Review plans for how you will communicate to staff, parents and the local community should there be a positive case within the school  Review systems for recording who within the school has been in close contact and will need to self-isolate if there is a confirmed case  Update and communicate the process for managing face coverings in school in line with the government guidance which states that:  In primary schools and settings, adults and visitors should wear face masks in communal areas where social distancing cannot be maintained  In secondary schools, pupils and adults should wear face masks in classrooms and communal areas	Communication to be continually reviewed (weekly discussion re this)  SLT and School Offices to communicate and record this  Face coverings to be worn by all adults on site-in communal areas	School Offices	Key dates in March for this. Then, on- going	https://www.gov.uk/governmen t/publications/containing-and- managing-local-coronavirus- covid-19-outbreaks/covid-19- contain-framework-a-guide- for-local-decision- makers#annex-3-tiers-of- national-restriction
		Ensure there are posters and instructions visible for all which outline the process for safely putting on, taking off and disposing of face masks including the cleaning of hands before and after touching and safe storage of them in individual, sealable plastic bags between use	Signage and information posters to be updated from 5/3/21	SLT and SBMs		

			T		1	
6	Infection prevention and control	Ensure that the school continues to adhere to government guidelines:  1) Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school.  2) Where recommended, use of face coverings in schools.  3) Clean hands thoroughly more often than usual.  4) Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.  5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.  6) Minimise contact between individuals and maintain social distancing wherever possible.  7) Always keeping occupied spaces well ventilated.  8) Where necessary, wear appropriate personal protective equipment (PPE).  9) Promote and engage with asymptomatic testing, where available.  Pupils must clean their hands regularly, including when they arrive at school, when they return from breaks, when they	All staff to continue to follow Govt. guidelines. Also, any adult on site to adhere to this. Children encouraged to do so.  See Risk Assessment (March 2021)	All staff and visitors	On-going	Schools coronavirus operational guidance  It is a legal requirement that employers must consult with the health and safety representative selected by a recognised trade union or, if there isn't one, a representative chosen by staff. As an employer, schools cannot decide who the representative will be.  Ventilation and air conditioning during the coronavirus (COVID-19) pandemic - HSE news
		arrive at school, when they return from breaks, when they change rooms and before and after eating. Schools should have enough hand washing or hand sanitiser stations available to aid regular hand washing  Education settings should have a small contingency supply				

of face masks available in case a pupil is struggling to access a face covering, has forgotten it or if it has become soiled.	
Schools should have a process for removing face coverings when those wearing them arrive at school. Safe wearing of face coverings requires cleaning of hands before and after touching and the safe storage of them in individual sealable plastic bags between use.	
Follow the 'catch it, bin it, kill it' approach and ensure there are enough tissues and bins available in school to support staff and pupils to follow this routine.	

#### A2: Curriculum planning

	Action	Comments for consideration	Issues due to the context of our school	Lead	Date Deadline	Guidance
7	Review school plans for immediate provision should PHE advise a group/class to self- isolate	This would apply to vulnerable pupils and the children of critical workers who will immediately be able to access the remote learning provision that is in place for the other pupils.  Consider options to ensure teachers are able to manage a workload comprising live and remote teaching if a small number of pupils need to isolate  Share amongst staff what has worked well so far so that this process can be fine-tuned or continued	Effective remote learning provided during Term 3 and Term 4 Lockdown. Some pupils not engaging even though devices and data were provided. Consideration given to CTs' workload; staffing options to be reviewed as need arises.	HOS;	On-going/ as required	Oak National Academy will continue to make available free video lessons covering the entire national curriculum and specialist resources to support SEND  The BBC are also delivering online lessons though BBC Teach
		Where providers have had to temporarily stop on-site provision on public health advice, they				Visit this page to apply for internet access for disadvantaged pupils, laptops

Laboration to the land of the state of	Т		
should inform the local authority to discuss alternative arrangements for vulnerable children and young people and work towards welcoming back pupils as soon as possible, where feasible to do so.			and tablets for remote learning
The remote education provided should be equivalent in length to the core teaching pupils would receive in school and will include both recorded or live direct teaching time, and time for pupils to complete tasks and assignments independently. The amount of remote education provided should be, as a minimum:  • Key Stage 1: 3 hours a day on average across the cohort, with less for younger children  • Key Stage 2: 4 hours a day  • Key Stages 3 and 4: 5 hours a day			
In developing these contingency plans, we expect schools to:			
<ul> <li>use a curriculum sequence that allows access to high-quality online and offline resources and teaching videos and that is linked to the school's curriculum expectations</li> <li>give access to high quality remote education resources</li> </ul>			
select the online tools that will be consistently used across the school in order to allow interaction, assessment and feedback and make sure staff are trained in their use			
<ul> <li>provide printed resources, such as textbooks and workbooks, for pupils who do not have suitable online access</li> <li>recognise that younger pupils and some pupils with SEND may not be able to</li> </ul>			

access remote education without adult

		_				
		support and so schools should work with families to deliver a broad and ambitious curriculum.				
		Agree these principals with governors and then share any outline plans / expectations with staff, parents and pupils.				
8	Planning to reduce pupil, staff and parental anxiety in the case of further outbreaks	Be aware that the level of anxiety and trauma that some may feel may be more severe than September and this may worsen if further outbreaks and restrictions occur  Identify any newly vulnerable pupils who may need support if they are required to work from home  Share the 'Every interaction matters' webinar with staff  Work with school nurses, where they are in	Careful monitoring of mental health needs of all children. Use ESCC resources as appropriate. Nurture Practitioner provision to be explored. Work with School	SS; SJ	On-going for rest of this academic year and, then, beyond.	
		place, to ensure delivery of the <u>healthy child</u> <u>programme</u> (which includes immunisation)	Nurses			
		Reflect on how well the school managed wellbeing calls and check ins for pupils during the previous lockdowns and be prepared to continue in the case of further outbreaks and closures	Well-being communication plan in place			
		Remind staff of the Wellbeing for Education Return programme, which provides training and resources to help school staff respond to the wellbeing and mental health needs of pupils. The training provides practical examples to support staff and pupils within a school.	Remind staff of support available			
		NHS mental health services have remained open, and schools should still refer to their local NHS children and young people's mental health				

	service.	
	DfE, Public Health England and NHS England have also recorded a free webinar for school and college staff which sets out how they can support their pupils and students. A recording of this is available here: View webinar	Access appropriate webinar
	Ensure teachers know they can access the free MindEd learning platform for professionals, which contains materials on peer support, stress, fear and trauma, and bereavement.	
	Remind teachers that MindEd have developed a coronavirus (COVID-19) staff resilience hub with advice and tips for frontline staff.	
	Public Health England have produced guidance for parents and carers on supporting children and young people's mental health and wellbeing. This includes key actions they can take to support their child or young person's mental health and wellbeing during the pandemic	

#### Section B – Responding once a local outbreak has been confirmed by PHE

#### **B1: Managing the remote curriculum**

•				
	When teaching pupils remotely, we expect schools to: • set meaningful and ambitious work each day in an appropriate range of subjects  • provide teaching that is equivalent in length to the core teaching pupils would receive in school. This will include both recorded or live direct teaching time and time for pupils to complete tasks and assignments independently	potential future local outbreaks. Remote provision effective during recent Lockdown (from 5/1/21)		
	Consider how to transfer into remote education what we already know about effective teaching in the live classroom by, for example:			
	providing frequent, clear explanations of new content, delivered by a teacher or through high- quality curriculum resources			
	providing opportunities for interactivity, including questioning, eliciting and reflective discussion			
	providing scaffolded practice and opportunities to apply new knowledge			
	enabling pupils to receive timely and frequent feedback on how to progress, using digitally- facilitated or whole-class feedback where appropriate			
	using assessment to ensure teaching is responsive to pupils' needs and addresses any critical gaps in pupils' knowledge			
	avoiding an over-reliance on long-term projects or internet research activities			

		T	1			
		We expect schools to consider these expectations in relation to the pupils' age, stage of development or special educational needs, for example where this would place significant demands on parents' help or support.				
		Have systems for checking, daily, whether pupils are engaging with their work, and work with families to rapidly identify effective solutions where engagement is a concern  • identify a named senior leader with overarching responsibility for the quality and delivery of remote education, including that provision meets expectations for remote education

#### **B2: Organisation and staffing**

	Action	Comments for consideration	Issues due to the context of our school	Lead	Date Deadline	Guidance
15	Maintaining accurate attendance records	Schools should continue to record attendance in the register. Schools should follow up on absences of the pupils who are expected to be in school but where a parent wishes for their child to be absent, we expect schools to authorise the absence during a national lockdown period. Absence will not be penalised.  Parents whose work is critical to the coronavirus (COVID-19) and EU transition response include those who work in health and social care and in other key sectors. Children with at least one parent or carer who is a critical worker can go to school if required. This includes parents who may be working from home. Parents should try to keep their children at home if possible.  In the case of further closures, schools should speak to parents and carers to identify who needs to go to school. If it proves necessary, schools can ask for simple evidence that the parent in question is a critical worker, such as	Monitor attendance of identified vulnerable children.  Ensure shielding parents do not prohibit children from attending when the school is open.  Check register codes are being used accurately. 		2021 academic year guidance remains in place.				

19	Trips and clubs	Consider how pupils can still have access to experts through virtual visits  During a school closure, schools should continue to offer wraparound provision, such as breakfast and after-school clubs, for those children eligible to attend school  Schools should also work closely with any external wraparound providers which these pupils may use, to ensure as far as possible, children can be kept in a group with other children from the same bubble they are in during the school day.  Make sure the clubs adhere to the school's protective measures  Schools may also continue to open up or hire out their premises for use by external wraparound childcare providers, such as after-school or holiday clubs, that offer provision to children of critical workers and/ or vulnerable children. This includes for school holidays for children of critical workers and/or vulnerable children. In doing so, schools should ensure they work with providers to consider how they can operate within their wider protective measures and should also have regard to any other relevant government guidance.	Club provision to be reviewed as situation changes	SJ; HOS	As required	Refer to guidance on protective measures for holiday, after school clubs and other out of school settings for more information
20	School meals	Ensure you continue to provide meal options for all pupils who are in school. Meals should be available free of charge to all infant pupils and pupils who are eligible for benefits-related free school meals who are in school.  Continue to provide free school meal support to pupils who are eligible for benefits related free	Meal options will continue when the school is open. ### **B4: Safeguarding**

	Action	Comments for consideration	Issues due to the context of our school	Lead	Date Deadline	Guidance
25	Safeguarding (including online safety) during the outbreak	<ul> <li>Review the child protection policy so that it reflects the local restrictions and remains effective.</li> <li>Ensure adherence to statutory duties as outlined in KCSIE 2020</li> <li>Update Code of Conduct for staff to include COVID-19 issues</li> <li>Ensure suitably trained people are onsite</li> <li>Review online safety considerations in and out of school</li> <li>As DfE guidance advises limiting the number of visitors, we recommend schools consider a flexible approach to interviews, with alternative options to face to face interviews offered where possible.</li> <li>Ensure that record keeping is up to date particularly where children have not been in school, or where they have attended other settings.</li> <li>It is expected that schools will have a trained DSL (or deputy) available on site. However, it is recognised that for some schools there may be operational challenges to this. In such cases, there are two options to consider:</li> <li>a trained DSL (or deputy) from the school can be available to be contacted via phone or online video, for example working from home</li> <li>sharing trained DSLs (or deputies) with other schools (who should be available to be contacted via phone or online video)</li> <li>Where a trained DSL (or deputy) is not on site,</li> </ul>	Child Protection Policy reviewed  2020/2021 Audit completed	CY	Term 4	Schools must have regard to the statutory KCSIE 2020 safeguarding guidance, keeping children safe in education

2	6 Support for vulnerable families and members of the community at higher	<ul> <li>in addition to one of the above options, a senior leader should take responsibility for coordinating safeguarding on site.</li> <li>Regular telephone calls to families</li> <li>Individual support plans around the family of vulnerable pupils, working alongside other agencies as appropriate</li> </ul>	Regular communication to be recorded	As required	TES article on how to support disadvantaged families: https://www.tes.com/news/coro
	community at higher risk Plan support packages for these families in order to help alleviate heightened anxiety during an outbreak	agencies as appropriate.  Continue to work in partnership with local BAME and/or faith communities to reinforce individual and household risk reduction strategies relevant to the school community  Decide which member(s) of staff will be the single point of contact for parents and communicate this to parents.  Update the website as applicable.  Brief staff to be alert to signs of poor welfare, poor mental health or neglect that may escalate during any additional school closures and agree referral route to DSL team.  If vulnerable children and young people do not attend, schools should:  work together with the local authority and social worker (where applicable) to follow up with the parent or carer to explore the reason for absence, discussing their concerns using supporting guidance considering the child's circumstances and their best interests  work together with the local authority and social worker (where applicable) and other relevant partners to encourage the child or young person to attend educational provision, particularly where the social worker agrees that the child or young person's attendance would be			navirus-6-ways-support- disadvantaged-families  ISEND guidance: (Supporting Pupils with SEND to return to School) https://czone-backoffice.azurewebsites.net/media/6329/supporting-pupils-with-send-to-return-to-school.pdf  PHE's review of the impact of Covid-19 on BAME groups identified "There is an association between belonging to some ethnic groups and the likelihood of testing positive and dying with COVID-19" "Longstanding inequalities have been exacerbated by COVID-19"  BAMEed's resources https://www.bameednetwork.com/resources
