5<sup>th</sup> October 2021

Dear Parents and Carers,

I am very excited that next **Thursday 14<sup>th</sup> October** we will be having a **Science/STEM Day** at Hamsey Primary School. This academic year we will be having a STEM/Science every short term and we look forward to sharing our plans for next term's activities soon.

The teachers have an exciting activity involving creating catapults and castle building as an enrichment activity for our current whole school project Discover - Conflict!

We ask that parents/carers please bring in cardboard boxes which we can use to make our castles and bottle top lids to attach to our catapults!

To get into role for the exciting activities we ask that children come **dressed as a scientist** for the day; it could be a famous scientist and remember it could be a scientist from any field!

Kind Regards,

Mr R Newlands  
Head of School
