Press Play After School Animation Club

Animation club is a fun introduction to the art of stop-motion animation. We produce animations using flipbooks, whiteboard animations, clay/Lego and Pivot animator. Children photograph and edit their animations using dedicated laptops, web cams and animation software. By the end children will have completed some short, high-quality animations to take away on a memory stick (which we would ask them to bring from home). Children will be able to keep any flipbooks, clay models/stage props they produce. We hope the films will be screened at a parent/ child screening at the end of the course.

Age groups: Years 3 to 6
Club day: Thursday
Where: Hamsey School Main Hall
Time: 3.00pm to 4.15pm
Total children per group: 10
Cost: £9 per session

About Press Play Films
Lara Leslie is a film producer and has been teaching children film making and animation on and off for 10 years (also a qualified primary school teacher). Photographs and information about our workshops can be seen on our website: http://www.pressplayfilms.co.uk/

Winter Term 2019 dates
I am offering a block of 10 sessions, starting on Thursday, January 9th (except for half term week).

Enrolment
In order to ensure children produce high quality animations and learn the entire art of animation, Film Club is offered as a term commitment. Regularly attending and returning term on term enables children to gain deeper insights into animation production and to learn to use the animation software confidently to explore a range of ideas and ways to animate.

How to sign up
Please contact Lara on lara@pressplayfilms.co.uk or on the mobile 07977 593 857 if you have any questions (no commitment to sign up!) or would like to enrol. The club will run on a first come, first served basis. Once you have secured a space I will send you a booking form and will request payment **for the 8 weeks** to secure the space. I will keep a waiting list for children who do not get a place this time round. I am looking forward to working with the children at Hamsey School.
