30th September 2020

Google Classroom

Dear Parents and Carers,

Google Classroom

At Hamsey School we have been working hard to ensure that our pupils and staff are always safe on-site. We are also mindful that we may still be required to offer remote learning with little or no notice if we find ourselves subject to a localised or national lockdown.

As you should already be aware, as per our letter on 24th September, we have been working hard on preparing our remote learning using Google Classroom. The children have been given opportunities to login during school time and have been completing tasks using the platform.

Starting Friday 2nd October homework will be set using Google Classrooms, this will allow children, parents and staff additional opportunities to practise using the platform. If a child is self-isolating they will also be provided with home learning that will be accessed through the Google classrooms site.

Your child's login details will have already been provided or will be given out with this letter. If you do not receive your log in details, please contact the office and they will be able to provide them for you.

Thank you for your ongoing support,
