What's On – July, August, September 2022

Introduction

Finally, summer is upon us! Life as we know it is slowly returning to normal and now is a perfect time for a fresh start or brushing up your knowledge ready for the next academic year. Perhaps your child is moving up to secondary school or starting reception and you would like to know the best way to support them.

Whether it is support with toddler tantrums, bedtimes, getting teenagers to cooperate or E-Safety that you could use some tips on the Parenting Team has got you covered!

We are here to support you with our variety of online courses, each with specific tips on how you can deal with the most common behaviour problems; and best of all, these evidence-based methods have already been successful in supporting families worldwide through times of crisis. So, you don't have to do it alone: we'll get through this together. Parents and carers can access as much or as little as they like, and **just small changes will make a big difference!**

The Parenting Team use Microsoft Teams which is free to download and accessible from phones, tablets, and laptops! Just simply choose the support you would like to access, email with which course you would like to attend to

EH.0-19parentingteam@eastsussex.gov.uk or EVEN EASIER scan the QR code next to the session you would like to attend and book yourself on! The link to join your chosen sessions will be sent to you nearer the time. So simple!

Once you have joined the discussion you can choose to have your microphone and camera either on or off (whichever you are more comfortable with), but we do encourage you to try some face to face with the other parents as the more you engage, the more supported and confident you will feel!

“The way we talk to our children becomes their inner voice”

ONLINE Webinars

Most of the time parenting is great fun, you know you are doing a good job; but there are times when things get a little tricky.

Like when your toddler won't eat her dinner; or your six-year-old won't pick up his toys. Maybe your child never seems to listen? Sound like your life? If only someone could give you some ideas to make those times easier!

We can so come along and join us!

Each webinar lasts between 1 to 2 hours, you'll watch short video clips showing other parents successfully dealing with the same issues and you'll be encouraged to share your thoughts with the other parents in the group, if you wish to. You'll also be given a workbook with simple exercises and information to help you try your new strategies at home.
